Eye-Kraft's Frame and Lens Catalog contains hundreds of quality frames stocked in the lab. Our frame selection is reviewed every spring so our styles stay fresh and current. This catalog supports two programs at Eye-Kraft:

Eye-Kraft Savings Package - Designed for private pay patients, this package has a wide range of lens products bundled with an Eye-Kraft frame from this catalog. Orders are submitted by mail, fax, phone, or online, and "Savings Package" should be noted in special instructions. Customers can also use Eye-Kraft's online ordering portal and select the Savings Package form. The Savings Package is also an excellent choice for direct billed, State and Medicaid-based insurance programs across the country. Eye-Kraft bills the eye care provider directly, and providers are responsible for submitting any materials, exam, or dispensing claims directly to the plan. In Minnesota, plans that eye care providers are responsible for submitting all claims to include:

- Blue Plus (Blue Cross/Blue Shield)
- Health Partners
- Itasca Medical Care
- Metropolitan Health Plan

Contracted Services - Eye-Kraft manages eligibility monitoring and materials submissions for the following three MHCP programs in Minnesota. Standard frames listed in this catalog are eligible for these programs. Providers are not billed for these jobs, and they must be accredited with these plans for exam and dispensing claims. Contracted services must be ordered in our online portal or with special fax or mail in order forms. Contact customer service for these forms if needed.

- UCare
- Medica
- South Country Health Alliance
